

## **Privacy Policy**

TEAM Technology LLC (“TEAM”, “we,” “us,” “our”) and its subsidiaries respect your privacy and are committed to protecting it. TEAM provides this privacy policy (“Privacy Policy”) to inform you of our practices and of the choices you can make about the way your information is collected online and how that information is used.

### **1. Sites covered by this Privacy Statement**

This Privacy Statement applies to [www.hurricane.myteam.org](http://www.hurricane.myteam.org) (the “Site”).

#### Links to non-TEAM websites not covered

TEAM websites may provide links to third-party websites for your convenience and information. If you access those links, you will leave the Site. TEAM does not control those sites or their privacy practices, which may differ from TEAM. We do not endorse or make any representations about third-party websites. The personal data you choose to give to unrelated third parties is not covered by TEAM Privacy Statement. We encourage you to review the privacy policy of any company before submitting your personal information. Some third-party companies may choose to share their personal data with TEAM, that sharing is governed by that third-party company’s privacy policy.

### **2. Types of information we collect**

TEAM collects non-personal information about online visitors to the Site using “cookies,” pixels, web beacons, and other technologies that operate automatically when someone visits the Site. TEAM uses this information to give the Site a more relevant online experience and to help make Site improvements. The information helps us understand which parts of the Site are the most popular, where our visitors are going, and how long they spend there. If you do not want us to collect information using cookies, you can disable this function in your browser. If you block cookies from us, however, you may not be able to see personalized content and the Site may not function optimally.

#### About Cookies

Cookies are text files sent by web servers to web browsers and are stored on the user’s computer or mobile device. If the browser is loading a page and the server requests the information stored in the cookie, the cookie is sent back to the server.

Cookies contain data about the user’s activities on the website, and can be used by Web servers to identify and track users as they navigate different pages on a website, and to identify users returning to a website.

Cookies may be either "persistent" or "session" cookies. A persistent cookie will remain valid until its set expiration date (unless deleted by the user). A session cookie will expire at the end of the user session, when the web browser is closed.

### **3. How we use your information**

TEAM uses your non-personal information to provide you with services and to help us better understand your needs and interests. Specifically, non-personal information is aggregated for reporting about our Site usability, performance and effectiveness. It is used to improve the customer experience, usability and site content.

### **4. Keeping your information secure**

TEAM is committed to protecting the information you provide us. To prevent unauthorized access or disclosure, to maintain data accuracy, and to ensure the appropriate use of the information, TEAM has in place appropriate physical and managerial procedures to safeguard the information we collect.

### **5. Changes to this Statement**

If there are updates to the terms of TEAM's Online Privacy Statement, we will post those changes and update the revision date in this document, so you will always know what information we collect online, how we use it, and what choices you have. For material changes to this Statement, TEAM will provide notification to affected customers.

### **6. Applicable law**

This contract is subject to the law of the California.

### **7. Contacting us**

We value your opinions. If you have comments or questions about our privacy policy, please send them to our office or the email address below.
